Training can be conducted in one hour increments on the topic of your choice.

TV/ Entertainment Services

Offered exclusive for Aliant TV customers

- **Setup of a DVD, VCR or Gaming System - \$79**
Setup a DVD, VCR or Gaming System, as well as setting up of one of these devices to work with Aliant TV.
- **Home Entertainment System Setup & Wiring (audio receiver, DVD, speakers, game systems, etc.) - \$179**
Set up will cover an amplifier, DVD or VCR players, up to six speakers and a gaming system. This is not a custom home theater but an out of the box set up. Wiring is to be provided by the customer.
- **Programming universal remotes (remotes for all devices including DVD, amplifier, TV, etc.) - \$89**
Program universal remotes used for all devices, including DVD, amplifier, TV, etc.
- **Calibration Disk for TV picture - \$79**
Calibrate the TV picture with Calibration Wizard or similar software. This will optimize the TV's display levels for maximum HDTV performance, so you always get the richest blacks, most natural color and absolute sharpest picture from your HDTV.
- **Move TV/Equipment to a new room - \$179**
Covers dismantling, moving and reassembly of TV, amplifier, DVD or VCR players, up to six speakers and a gaming system to work in conjunction with Aliant TV. Entertainment equipment to be reassembled to work in same manner as prior to dismantling.
